

Hartland Public Library
Board of Trustees Special Meeting
June 18, 2026 at 7 p.m. on Zoom

Call to order:

- a. Trustees in attendance:
- b. Trustees not in attendance:
- c. Quorum

Purpose of Special Meeting:

To discuss the option of adding Hoopla digital to our options for patrons borrows. We had a carry-over balance from 2024-2025 and we have a carry-over for the current year.

Pro: When the library had both Hoopla and Libby the number of patrons from each of the platforms matched or exceeded than the number visiting the Library. The number of borrows exceeded the borrows from the Library.

Con: The costs would be more than we expend on materials for the Library.

Open discussion for Pros and Cons.

VOTE ON ADDING HOOPLA:

Adjournment:

Respectfully submitted:
