What Benefits Are You Missing Out On?

Did you know that you can easily check to see what state benefits and programs you qualify for?

Go online to

BenefitsCheckup.org

or fill out one of the Benefits Checkup packets that are available at Town Hall

You should check every 6 months, as age qualifications and state programs change frequently!

Best way to stay on top of your health?

Know your numbers!!

Farmington Valley VNA does a free Blood Pressure & Blood Sugar Testing event once a month at the First Church Parish Hall from 11:30am to 1:00pm. This coincides perfectly with the community luncheon!

So, grab a buddy, don't eat for two hours before you come, get your numbers, and then snack and visit with your neighbors.

Make sure to make time for your health
The next luncheon is on May 8
