### Coronavirus Update – Town Offices

All Town buildings remain closed and three more staff have been tested for coronavirus so that they can return to work. The main offices at Town Hall are still open Monday thru Wednesday (appointment only) for the Clerk, Collector and Assessor from 10am to 3pm (although we actually are in the office well after 4pm). The Tax Collector can take payment via regular mail, dropbox at Town Hall or at her window near the entrance door. In addition, the Selectmen's office is also open on Thursday. The Town Garage continues to be closed to the public. Services and employee hours continue on our same schedule.

### Camp Alice Merritt

A pier has been purchased for the Camp Alice Merritt Pond to honor Wade Cole. The beach across the pond will be reclaimed in Wades honor and will be named "Wades Beach". Work on these items will hopefully be scheduled for the end of July, 2020.

### Hartland School Roof.

Construction will continue this week and will include, fan installation, ceiling repair, additional snow guards and canopy construction. Carpenters from Imperial, Inc. should be in by the middle of the week.

As of July 1, 2020, the new Fire Department Contracts will take effect. The Firemen's Compensation for the period January 2020 to June 30, 2020 was at Chief's discretion because coronavirus restrictions prevented open-air meetings and drills which are counted as qualifications for the Compensation eligibility. As of July 1, 2020, the new guidelines presented by the Chief's in March, 2020, will take effect as well as a per call stipend. The Fire Departments will chart this information.

Chief Moe Bateson has retired from the West Hartland Vol. Fire Department but will continue to respond to fires and medical calls. Allen Button is now Chief of the WHVFD.
