Storm Isaias

The storm hit on Tuesday, August 4, 2020. Initially, East Hartland and West Hartland were 100% out of power. Quite a bit of tree damage and roads blocked on both sides of Town. By Wednesday, East side was at 80% and West side was still at 100%. Power was restored to West side on Saturday evening 8/15 by crews from VT and restored to East (minus 8 residents) by Sunday evening by crews from Canada. EMO Jennifer Abalan-Kershaw, Assistant EHVFD Chief Rich Madara, Scott Levan, Road Foreman and our Town Crew were instrumental to me in the restoration of power to our Town. They worked many, many volunteer hours to assist the Town of Hartland and its residents.
