Update Coronavirus/Town Buildings:

Magi Winslow reported masking is now voluntary at all Town buildings. Currently, Boards/Commissions have the option of “in person meeting”, Zoom meeting or both. There are still testing kits and masks available if needed. Sanitizer is still available in the Town Hall lobby and in the Offices at Town Hall. If you are showing symptoms of Covid or have been exposed to someone who has Covid, please do not come into the Town Buildings or attend Town events until it is safe to do so. The Board of Selectmen sincerely thanks you for your patience and your consideration. Magi Winslow stated that it seems COVID cases are on the rise in Connecticut and that the BOS is watchful as it relates to Town buildings and events.

HARP Board Update:

Plans/prints are finished for the shelter update and foodbank at the Nellie B. West Building at Camp Alice Merritt. The Project is continuing.

Magi Winslow reported a very nice turnout and reception for the Bench - donated by the Hartland Lions Club and dedicated to Wade E. Cole - located at the West Hartland Cemetery. The Town will pour a base for the bench. A sincere thank you to all who attended and all who helped to put the event together.
