## **SPECIAL MEETING OF THE BOARD OF SELECTMEN TUESDAY, AUGUST 16, 2022**

**Attending: Magi Winslow, Greg Sottile, Scott Levan, Karen Eseppi -- via Zoom**

**Meeting was called to order at 3:30p.m. by First Selectman Magi Winslow**

### **Reported Information:**

**Our Town Mechanic, Joey Raskauskas, found a 1993 Automatic Plow truck for sale, complete with plow and sander. The truck is perfect for Town needs. The Truck will also allow us to continue our plowing/maintenance work should another truck break down while working on a project, instead of stopping and repairing that truck immediately.**

**Our Town Mechanic and Road Forman physically inspected the truck and found it to be mechanically sound and in excellent condition.**

**The Price of the Truck is \$27,500.00 (originally \$28,000.00).**

**We are scheduled for purchase of a new plow truck in the year 2026 of the Town 10-Year Equipment Plan. Currently the estimated cost of such a plow truck is \$325,000.00 and we anticipate the cost will increase over the next many years.**

**We have just purchased a new fire truck for EHVFD (\$602,000.00) and are scheduled to purchase a new fire truck for WHVFD in the next couple of years.**

**We are very familiar with repairs/parts on Mack trucks.**

**We estimate this purchased truck will last 15+ years and put us in a better position as a Town for the scheduled large equipment purchase(s) in our 10 Year Plan.**

**We will take the money from our Capital line #050 Camp Alice Merritt Dam Repairs, as we are not ready for the Project. We will refund the line item over the next budget years.**

**Motion: Magi Winslow/Greg Sottile – Unanimously approved  
To purchase a 1993 Used Mack Plow Truck Complete with Plow and Sander for the Purchase Price of \$27,500.00.**
